

Current York Office COVID-19 Safety Protocols

- Complete Daily Check-Ins when working in the office
- Do not come into the office if you are feeling unwell or presenting symptoms
- Practice excellent hand hygiene
- Hand sanitizer and cleaning products available for wipe downs
- Kitchen/coffee, lunchroom open
- Visitors are permitted and must follow the above listed protocols at all times
- KCB employees are not required to be vaccinated in order to work in the office or lab; however, client-driven vaccination mandates remain in place as applicable and must be met
